MISSION STATEMENT

New Hampshire Police Standards and Training is committed to supporting and enhancing a dual mission:

Providing high-quality, innovative, credible and responsive basic, advanced, and specialized training to New Hampshire Police, Correctional, Probation and Parole officers; and,

Adopting and enforcing reasonable, professional standards in a manner consistent with the law, considerate of the public trust, and committed to basic values and the highest ethical standards.

Readopted August 25, 2009

COUNCIL MEMBERSHIP

The members of the New Hampshire Police Standards and Training Council during Fiscal Year 2011 were Sheriff Michael L. Prozzo, Jr. of the Sullivan County Sheriff's Office, who served as Chairman; Chief Gregory C. Dodge of the Town of Epping Police Department; Chief Peter P. Morency of the City of Berlin Police Department; Chief James B. Sullivan of the Town of Hampton Police Department; Chief Anthony F. Colarusso Jr. of the City of Dover Police Department; Sheriff Richard A. Foote of the Cheshire County Sheriff's Office; Associate Justice Norman E. Champagne of the Manchester District Court; Associate Justice Stephen H. Roberts of the Dover District Court; Chancellor of the Community College System of New Hampshire Dr. Richard C. Gustafson; Colonel Robert L. Quinn, Director of the New Hampshire State Police; Attorney General Michael Delaney of the Department of Justice; and, Commissioner William L. Wrenn Jr. of the New Hampshire Department of Corrections, who served during the year as Vice-Chairman.

By law, the members of the Council, appointed by the Governor, must include two town police chiefs, two city police chiefs, two high sheriffs, two justices of the District or Superior Court System, the Chancellor of the Community College System of New Hampshire, the Attorney General, the Commissioner of Corrections, and the Director of State Police. Terms are two years in length. The Chairman is designated by the Governor, and the members elect the Vice-Chairman.

NH POLICE STANDARDS AND TRAINING COUNCIL

ANNUAL REPORT

Fiscal Year July 1, 2010 - June 30, 2011

ORGANIZATION AND FUNCTIONS

The Police Standards and Training Council was established by the New Hampshire Legislature in 1971. Policies are set by the 12-member Police Standards and Training Council. The director is appointed by the members of the New Hampshire Police Standards and Training Council.

Administrative operations are under the control of the Director of Police Standards and Training and the agency is administratively attached to the Community College System of New Hampshire. The current director, Donald L. Vittum of Rochester, was appointed to a term of four years on February 1, 2007. At their meeting on June 22, 2010, the Council voted to reappoint Director Vittum to another four-year term beginning February 1, 2011.

The Council is charged with establishing minimum hiring and educational standards for police, state corrections, and probation-parole officers and the certification of persons qualified to serve in those positions. Police Standards and Training's mission also includes providing mandatory basic training to new police, state corrections and probation-parole officers and providing in-service training to police, state corrections and probation-parole officers.

In addition, the Police Standards and Training Council approves the curriculum and physical fitness standards for County Corrections Officers who are enrolled in the Group II (law enforcement) retirement system.

The Council currently certifies 4,031 police officers, both full and part time, who are employed by State, County and local units of government, plus 947 sworn and civilian employees of the New Hampshire Department of Corrections.

Our headquarters are located adjacent to the grounds of NHTI - Concord's Community College, at 17 Institute Drive in Concord, in a law enforcement training facility that opened on October 25, 1983. An additional lecture hall, two more classrooms, and several additional offices were opened on July 1, 1989. Another 33,280 square feet (on two floors) Tactical Training Center and a 7,600 square feet (on two floors) dormitory addition were completed in 1993, giving us a total of 77,000 square feet on 4.5 acres of land and overnight accommodations for more than 100 persons.

In honor of the first Director of Police Standards and Training, on May 2, 2007, the Governor and Executive Council changed the name of our building and grounds to the Arthur D. Kehas Law Enforcement Training Facility and Campus. On June 14, 2010, a ceremony was held to dedicate a plaque donated by the Kehas family to commemorate the naming of the campus in honor of Arthur Kehas.

The Council is funded by the Penalty Assessment Fund established under RSA 188-F:31. Each jurisdiction is required to levy a surcharge of \$2 or 24% on each fine imposed for all offenses except municipal parking violations. 54.17% of that collection is deposited into the Police Standards and Training Council Training Fund, a special, non-lapsing fund to support police training. 16.67% is collected to support victim assistance programs in the state. Another 16.67% goes to the court system, and the remaining 12.49% goes to the General Fund. In addition, \$5 from each prisoner supervision fee collected by the NH Department of Corrections for the supervision of probationers and parolees is deposited into the Police Standards and Training Council Training Fund for training police and corrections officers. The Council receives no General Fund support and funds its total operation from the Training Fund.

The Council was a non-affiliated state agency reporting directly to the Governor until July 1, 1985. With the passage of Chapter 152, Laws of 1985, it became attached to the Department of Postsecondary Technical Education, subsequently called the NH Department of Regional Community-Technical Colleges, and known since 1998 as the NH Community Technical College System. Laws of 1985, 152:4, provide that Police Standards and Training shall be a separate PAU within the System, administratively attached and separately financed. The Council also retains its rule-making authority independent from the System. By a law enacted by the 1998 Legislature, the Police Standards and Training Council, like the rest of the college system, gained flexibility in making purchases and in fiscal transfers through the System's Board of Trustees. Chapter 361, Laws of 2007, changed the governance structure of the system again and renamed the system the New Hampshire Community College System. Beginning in SFY 2008, PSTC transfers are approved through the Joint Legislative Fiscal Committee.

MAJOR ACCOMPLISHMENTS FOR FY 11

During FY11, NH Police Standards and Training Council continued to monitor the success of our training programs and made updates to materials and tactics as necessary to insure that the training provided is current and effective. To accomplish that task, we continued to outreach with the law enforcement community by attending local and regional meetings, trainings and association and group meetings, along with a focused strategic planning session. The feedback received during those interactions help us to shape training and assistance that meets the current needs of law enforcement, which in turn allows us to provide a product that better protects our citizens.

We also made needed improvements to our facility. First, we installed emergency generators for the facility that will allow us to continue operations even during extended power failures. This will insure that our officer training programs are not interrupted or negatively impacted when events occur that disrupt normal power distribution. Second, we made renovation of our indoor firing range which is critical to the firearms training provided to all of our police and corrections officers during certification. The system enhancements and repairs made allow us to provide more varied and situational training scenarios in a closely monitored and controlled environment. Lastly, we made repairs to our driver training pad and one of our skid car platform systems which will allow us to continue to provide high quality, realistic defensive driver training to the officers we train.

COMPLIANCE MONITORING

Another function of our agency is that of compliance monitoring to insure that agency administrative rules are being followed. That activity is characterized by the following:

- Investigations into alleged rules violations or other departmental or individual conduct that could result in suspension or revocation of police or corrections officers' certifications.
- Background investigations conducted on the ability and fitness of persons to serve as Police Standards and Training Council employees, staff members.
- Examination of the documentation submitted by officers from other states requesting certification in New Hampshire based on prior training and experience or by officers re-entering the field.
- Reviews of incidents involving police officers that indicate a need for positive changes in our training programs or entrance standards.
- Monitoring compliance with our various rules, which involves submission of forms and data from state, county, and local law enforcement and/or corrections agencies.

Surrender of police certification carries the same ramifications as revocation of police certification – a minimum two-year period before a petition can be made to the Council to grant eligibility to regain recertification. Decisions of the Council are appealable only to the New Hampshire Supreme Court. The following table details the results of decertification and suspension hearings held in the past fiscal year.
